These Terms govern your access and use of our Services. These Terms refer to the individual or entity using the Services (including any component of the Services) as “**you**” or “**your**.”

By accepting these Terms electronically (for example, by clicking “**I Agree**” or a similarly worded button), accessing or using the Services, registering for an account with us, executing these Terms, or accepting an order that references these Terms, you are accepting and agreeing to these Terms and the policies and guidelines referenced in these Terms. If there is anything in the Terms which you do not understand or with which you do not agree, then you may not use the Services.

We may supply different or additional terms in relation to some of our services, and those different or additional terms become part of your agreement with us if you use those services. If there is a conflict between these Terms and the additional terms, the additional terms will govern and control with respect to the Services as to which such different or additional terms pertain.

We will notify you of amendments to these Terms by posting the revised terms on our website and, in some cases, we may provide you with additional notice (such as adding a statement to our homepage/application or sending you a notification). Unless we say otherwise in our notice, the updated Terms will be effective immediately, and your continued use of any of the Services following their publication on our site will confirm your acceptance of the changes. BY ENTERING INTO THESE TERMS, IF YOU ARE A CUSTOMER OF ANY OF ETORO GROUP LTD. IMPORTANT NOTE - WE MAY RESTRICT THE SERVICES TO ANY JURISDICTION AS WE SEE FIT OR NECESSARY AT OUR SOLE DISCRETION, AND WE MAY ADVISE OF THESE RESTRICTIONS ON OUR WEBSITE AS THEY OCCUR. YOU AGREE THAT YOUR SERVICES MAY BE SUSPENDED OR TERMINATED AS A RESULT OF ANY SUCH RESTRICTIONS. YOU MAY NOT USE THE SERVICES IF YOU ARE LOCATED IN, OR A CITIZEN OR RESIDENT OF ANY STATE, COUNTRY, TERRITORY OR OTHER JURISDICTION, INCLUDING THE UNITED STATES, THAT FORBIDS YOUR ENGAGEMENT WITH US OR YOUR USE OF THE SERVICES OR WHERE YOUR USE OF THE SERVICES WOULD BE ILLEGAL OR OTHERWISE VIOLATE ANY APPLICABLE LAW OR REGULATION. WE DO NOT REPRESENT, WARRANT, CLAIM OR GUARANTEE THAT OUR SERVICES WILL BE UNINTERRUPTED AND ERROR-FREE AT ALL TIMES.

PLEASE NOTE - BY USING THE SERVICES, YOU ARE VOLUNTARILY CHOOSING TO ENGAGE IN SOPHISTICATED FINANCIAL TRANSACTIONS WHICH ARE ASSOCIATED WITH A SIGNIFICANT RISK OF FINANCIAL LOSS AND ARE THEREFORE NOT APPROPRIATE FOR EVERYONE. SUCH RISKS ARE DETAILED IN THESE TERMS AND THEY INCLUDE, BUT ARE NOT LIMITED TO, RISKS OF FINANCIAL LOSS, INTERNET AND COMPUTERS TRANSMISSION RISKS, BLOCKCHAIN RISKS AND SECURITY RISKS. YOU SHOULD THEREFORE CAREFULLY CONSIDER WHETHER THE SERVICES ARE SUITABLE FOR YOU IN LIGHT OF YOUR FINANCIAL CONDITION AND KNOWLEDGE. YOU SHOULD ENSURE YOU FULLY UNDERSTAND SUCH RISKS BEFORE ENTERING INTO THESE TERMS WITH US. YOU ACKNOWLEDGE THAT YOU ARE AWARE THAT PRICES OF DIGITAL ASSETS CAN AND DO FLUCTUATE SIGNIFICANTLY ON AND DURING ANY GIVEN DAY. DUE TO SUCH PRICE FLUCTUATIONS, YOU MAY INCREASE OR LOSE VALUE IN YOUR ASSETS AT ANY GIVEN MOMENT AND MAY RESULT IN LOSS OF ALL THE CAPITAL INVESTED.

DIGITAL ASSETS TRADING ALSO HAS SPECIAL RISKS NOT GENERALLY SHARED WITH OFFICIAL CURRENCIES OR GOODS OR COMMODITIES IN A MARKET. UNLIKE MOST CURRENCIES, WHICH ARE BACKED BY GOVERNMENTS OR OTHER LEGAL ENTITIES, OR BY COMMODITIES SUCH AS GOLD OR SILVER, DIGITAL ASSETS ARE UNIQUE KIND OF ASSETS, BACKED BY TECHNOLOGY AND TRUST. THERE IS NO CENTRAL BANK THAT CAN TAKE CORRECTIVE MEASURES TO PROTECT THE VALUE OF DIGITAL ASSETS IN A CRISIS OR

ISSUE MORE ASSETS.

BY AGREEING TO THESE TERMS, YOU ACKNOWLEDGE THAT ETORO X IS NOT RESPONSIBLE FOR THE AFOREMENTIONED RISKS, AND YOU VOLUNTARILY ASSUME AND ACCEPT SUCH RISKS IN DECIDING TO USE ETORO X SERVICES.

You should print or save a copy of these Terms for your references.

1. THE SERVICES

1.1. General. eToro X operates an exchange platform in which bid and ask orders are maintained in order books of pairs of Supported Digital Assets (as defined below), and matched with other orders by eToro X's matching engine, enabling users to exchange, by placing orders, one Supported Digital Asset into another Supported Digital Asset, all as more fully described herein (the "Services").

1.2. Definitions.

"Account" means your exchange account with eToro X. For the avoidance of doubt, eToro X also provides hosted wallet services under a separate account and application. These Terms solely govern the Services and do not govern the hosted wallet services.

"Cryptocurrency" means a type of decentralized digital currency which is not issued by any central bank or issuer in which encryption techniques are used to facilitate the generation of units of the currency or asset and verify the transfer of units.

"Tokenized Asset" means a type of virtual asset representing a value connected to a selected fiat currency and/or commodity and/or any other financial instrument. For more details and risks associated with respect to Tokenized Assets, see Section 7 of these Terms.

"Digital Assets" means Cryptocurrencies, Tokenized Assets and other digital rights or assets which may be available on our platform from time to time.

1.3. Exclusion concerning certain types of Tokenized Assets. It is clarified that some Tokenized Assets are not registered on the blockchain and therefore cannot be deposited or withdrawn from the Account. For the avoidance of doubt, only specific Tokenized Assets, that are explicitly marked on our platform or otherwise announced by us, can be deposited or withdrawn from an Account. **ANY REFERENCE MADE IN THESE TERMS TO A DEPOSIT OR WITHDRAW OF A DIGITAL ASSET SHALL ONLY REFER TO SUCH MARKED/ANNOUNCED TOKENIZED ASSETS AS WITHDRAWABLE/DEPOSITABLE.**

1.4. Supported Digital Assets.

1.4.1. The Services are only available in connection with those Digital Assets that eToro X, in its sole discretion, decides to support ("Supported Digital Asset"). The Supported Digital Assets that eToro X supports may change from time to time (including ceasing to support certain Digital Assets) according to eToro X's sole discretion, as shall be updated in your Account or reflected on our platform. We will effect such change at the lapse of five (5) business days ("Notice Period") as of the day of our publication of such change. During this Notice Period, you may use the Services to exchange any Digital Asset which will cease to be supported following such Notice Period, into other Supported Digital Asset as available on our platform. eToro X does not accept any liability or responsibility for any losses resulting from such an update.

1.4.2. Under no circumstances should you attempt to use your Account to store, send, request, or receive Digital Assets in any form that are not supported by eToro X. eToro X assumes no responsibility or liability in connection with any attempt to use eToro X Services and an Account for Digital Assets that eToro X does not support.

1.5. eToro does not allow users to exchange Digital Assets for fiat currency or to deposit/withdraw fiat currency to/from their Account; Users can only exchange Digital Assets for other Digital Assets, unless specifically announced on our website or through some other official public statement of eToro X.

2. CREATING YOUR ETORO X ACCOUNT

Therefore, in order to create and maintain an Account, you will be required to provide us with certain information and identification documentation and comply with certain eligibility factors, as follows:

2.1. Eligibility.

2.1.1. It is a pre-condition that our Services can be only used and contracts are only formed by those who are permitted to enter legally binding agreements. For avoidance of doubt, the ability to access our Services does not necessarily mean that our Services, or your activities through it, are legal under the laws, regulations or directives relevant to your country of residency. Our websites or mobile application and any other online or offline material do not constitute, and may not be used for the purposes of, an offer or solicitation to anyone in any jurisdiction in which such offer or solicitation is not authorized, or to any person to whom it is unlawful to make such an offer or solicitation.

2.1.3. By registering an Account, you expressly represent and warrant that you: (i) follow the rules and laws in your jurisdiction of residence and/or jurisdiction from which you access the Services; (ii) are of sound mind capable of taking responsibility for your own actions.; (iii) will comply at all times with these Terms and will not take any action which is in breach of any of your undertakings provided herein.

2.1.4. eToro X may, in its sole discretion, limit the number of eToro X's Accounts that you may hold, maintain or acquire.

2.2. Identification.

2.2.1. It is your duty to provide eToro X and its affiliates with accurate, current, and complete information about yourself as prompted by the registration process or as eToro X may from time to time request and keep such information updated. You authorize eToro X to make such inquiries that it considers necessary to validate your identity and you agree that eToro X may do so using third-party service providers. You further authorize any and all third parties to which such inquiries or requests may be directed to fully respond to such inquiries or requests.

2.2.2. eToro X will have no liability or responsibility for any permanent or temporary inability to access or use any Services, including your inability to withdraw Supported Digital Assets or execute Orders, as a result of any non-compliance with any identity verification or other screening procedures we may impose from time to time.

Therefore, you will be prompted to provide us with information when you register with us, including: (1) name, (2) address, (3) date of birth, (4) phone number and any other personally identifiable information that we may ask for from time to time such as a copy of your passport, proof of address or other identifying documents or information, and the countries of which you are a tax resident, and confirm whether you are a US citizen or your place of birth is in the US. You shall notify eToro X in writing within 7 days as of any material change in the validity of, or information previously provided to us.

You understand and agree that if eToro X sends you an electronic Communication (as defined below) but you do not receive it because your primary email address on file is incorrect, out of date, blocked by your service provider, or you are otherwise unable to receive electronic Communications, eToro X will be deemed to have provided the Communication to you. You may update your information by logging into your Account and visiting settings or by contacting our support team at customerservice@etorox.com.

2.2.5. If you are a customer of any of eToro Subsidiaries or if you have registered to eToro X other services, by entering into these Terms, you are consenting that such eToro's Subsidiary may transmit to eToro X any data relating to you and your Account including your personal data (including your personally identifiable information and your payment details) and documents provided by you to the applicable eToro's Subsidiaries (the "**Personal Data**"). Such transmission of data is required in order to facilitate and simplify your registration with eToro X and your verification.

2.2.6. From time to time you may be requested to provide us with certain documents to verify the details of the electronic wallet and other means of payment used by you to wire Supported Digital Assets to and from your Account, or other details provided by you. Subject to such verification, you may or may not be permitted to transfer Supported Digital Assets to and from your Account or use or continued use of the Services.

2.2.7. Upon the death or incapacity of an Account owner and if the legal heirs or representatives of such Account owner would like to withdraw the remaining withdrawable balance in the Account (if any), such legal heirs should present to us official legal documents from the applicable authorities in the relevant jurisdiction to our satisfaction, and we, in our sole discretion and upon examination of such documents to our full satisfaction, shall make the decision whether to allow such withdrawal.

2.2.8. We will post details of your Account activity on our website or application ("**Account Information**"). Updated Account Information will be available after any activity takes place on your Account. Posting of Account Information on the

website or application will be deemed delivery to you of any relevant information (such as confirmations and account statements). We may at our sole discretion withdraw or amend any Account Information at any time. Unless otherwise agreed by us you agree that we are under no obligation to provide confirmations in hard copy or by email rather than through the website or application. The Account Information (save if manifestly incorrect) will be conclusive evidence of your transactions and will be binding on you if not objected to in writing within one business day of posting.

- 2.2.9. eToro X reserves the right in its sole discretion to decline to open Accounts and to temporarily or permanently suspend Accounts or functionalities, including where required or recommended by applicable governmental, regulatory or law enforcement requirements, including where you fail to provide sufficient information to verify your Account. The eToro X Services are for the use only of the registered Account holder. You agree that the information you provide to eToro X during the Account creation and any subsequent identity verification processes is accurate and complete, and will be updated as necessary to keep it so.

3. **MANAGING YOUR ETORO X ACCOUNT**

- 3.1. **Account Security.** eToro X uses multi-level systems and procedures to collect and verify information about you in order to protect eToro X and our users from fraudulent users. You are solely responsible for maintaining adequate security and control of any and all log in IDs, passwords, personal identification numbers (PINs), authenticators, and any other codes that you use to access the Services as well as safekeeping the electronic device through which you access the Services. You are required to take all reasonable steps to avoid and prevent the loss, theft or misuse of such security measures and electronic device by others or any other unauthorized access to use the Services using your Account credentials. You must keep your Account ID, passwords and any other Account credentials confidential and not authorize any third party to access or use the Services on your behalf. Any loss or compromise of your electronic device or your security details may result in unauthorized access to your Account and the loss or Digital Assets held in your Account. You must keep your security details and passwords safe at all time and should not write them down or otherwise make them visible to others. You undertake to notify us promptly of any such unauthorized access or use. You will cooperate with us in the investigation of any suspected unauthorized access to or use of the Services using your Account credentials, and any security breach of your Account, system, or network, and provide us with the results of any third-party forensic investigation that you undertake. You will be responsible, and eToro X will have no liability, for all activity that takes place within your Account when it is accessed using your Account credentials, whether or not authorized by you. If you appoint a third party to control any of your Account credentials, eToro X is not responsible for the actions or omissions of such third party. Control of such information will allow such third party to make trades in Supported Digital Assets in your Account or to transfer all of your Supported Digital Assets from your Account and you may never regain those Digital Assets.
- 3.2. **Mobile Phone Number Required.** To use the Services you must provide a valid mobile phone number. This number you provide will be used as part of the authentication process, which includes two-factor authentication when you log-in to your account and/or when you withdraw Supported Digital Assets out of your Account. As part of using the Services, you are agreeing to receive SMS/text messages from us. Please note that while we do not charge you for SMS/text messages, your mobile carrier's standard messaging rates will apply. Failure to provide a valid mobile phone number may result in restriction of your use of the eToro X Services. If eToro X suspects that your mobile number is invalid or that you are using a VOIP service to circumvent the requirement to provide a valid mobile phone number, eToro X may suspend or otherwise restrict your use of the eToro X Services.

4. **DEPOSIT AND WITHDRAWALS**

The Services allow you to deposit or withdraw Supported Digital Assets in accordance with these Terms and the following conditions:

- 4.1. Subject to Section 9 below, following the successful creation of an Account and completing the verification procedure, we shall provide you with a specific address for each Supported Digital Asset you wish to deposit. Once we receive the Supported Digital Assets deposited by you and subject to our verification and AML policies and procedures, the appropriate number of units of the relevant Supported Digital Assets will appear in the Account balance.
- 4.2. We reserve the right in our sole and exclusive discretion to reject and reverse any deposit of Supported Digital Asset for any reason whatsoever, including without limitation, as may be required under our AML policies and procedures or other law or regulation applicable to us. Should we elect to reject said deposit, we shall return said Supported Digital Asset to the originating address.
- 4.3. You may periodically transfer to your Account any Supported Digital Assets. If you elect to transfer to your Account any assets that are not supported, or if you deposit Supported Digital Assets to an address that does not correspond to the exact address we provided you, such assets may be permanently lost. We do not hold any liability for the consequences of any error in depositing non-supported Digital Assets or any errors in placing a wrong deposit address.

- 4.4. You acknowledge and agree that we may impose deposit or withdrawal limits (maximum or minimum) at our sole discretion. You further acknowledge that some Supported Digital Assets cannot be held under certain minimum quantity based on its underlying software protocols, therefore if the amount deposited is less than such minimum quantity, the Supported Digital Assets deposited will not appear in your Account.
- 4.5. You will not be entitled to receive any interest or other fees on any Supported Digital Assets held in your Account even if eToro X receives interest or other fees from any third parties.
- 4.6. You are required to retain in your Account a sufficient quantity of Supported Digital Assets necessary to satisfy any open Orders and any such quantity may not be withdrawn by you. Subject to any other condition provided herein, you may withdraw Supported Digital Assets from your Account by completing a two-factor authentication process and submitting a withdrawal instruction via the Services which will include, among other things, the relevant Supported Digital Assets that is to be withdrawn, the amount to be withdrawn and the withdrawal address. We reserve the right to reject the withdrawal into a specific withdrawal address in our sole and exclusive discretion for any reason whatsoever, including without limitation, as may be required under our AML policies and procedures or other law or regulation applicable to us. Should we elect to reject said address, such withdrawal shall be cancelled and you shall be required to initiate an additional withdrawal request an alternative withdrawal address.
- 4.7. The Supported Digital Assets shall be withdrawn to your external withdrawal address in full, less eToro X's fees as detailed in our Fees Page (as defined below) and subject further to: (i) any tax deduction required by law; and (ii) any owed amounts which are incurred in respect of transfer charges that may be levied; and (iii) any other amounts owed by you to eToro X in respect of other open Orders; and (iv) if otherwise required under these Terms. You hereby authorize eToro X to make such deduction from any Supported Digital Assets available on your Account.
- 4.8. You represent and warrant that you are fully liable in the event you choose to withdraw any Supported Digital Assets from your Account to a withdrawal address, which is not under your control. Furthermore, it is your responsibility to make sure the withdrawal address you have requested is supporting the Supported Digital Assets you are asking to withdraw and that such address is properly formatted and insuring that there are no errors in any of the transfer instructions, otherwise, such Supported Digital Assets may be permanently lost. We do not hold any liability for the consequences of any error in placing a withdrawal address. The timing for completing any withdrawal or deposit will depend on third party actions that are outside the control of eToro X such as your external wallet provider, and eToro X makes no guarantee regarding the amount of time it may take to complete any withdrawal or deposit.
- 4.9. For the avoidance of doubt, you will only be entitled to withdraw and/or deposit Supported Tokenized Assets that are specifically announced or otherwise marked on our platform as Tokenized Assets which can be deposited or withdrawn from an Account.
- 4.10. You acknowledge and accept that withdrawals and/or deposits are subject to fees as set out in our Fees Page.

5. **TOKENIZED ASSETS CASH-OUT**

- 5.1. We may allow eligible clients to cash-out specific type(s) of Tokenized Asset from their Account to their external fiat money bank account. You hereby acknowledge that the criteria for being eligible for this service, as well as the type of Tokenized Assets available for cashing-out or the currency of the fiat money we agree to process, shall be determined by us at our sole discretion. In addition, and without derogating from the generality of the above, you will be required to set up your bank account and complete all the required verification procedures as shall be detailed in your Account or otherwise requested by us.
- 5.2. You acknowledge and agree that before placing a request for cash-out, you are required to have sufficient Tokenized Assets in your balance to fulfil such request. Upon placement of a cash-out request, the amount of Tokenized Assets shall not be available for placing an Order or for any other use and you understand that it may not be cancellable.
- 5.3. Subject to the terms herein, your cash-out request will be executed at the prevailing price available to eToro X at the time your request is executed. eToro X's and/or Third Party's fees and commissions (including blockchain fees, if applicable) shall be deducted from the amount of fiat money you will receive as set forth on the Fees Page. You accept said amount of fiat money as complete and final on your part. You acknowledge and confirm that your execution prices may be higher or lower than those displayed at the time you placed the cash-out request, due to the time required to execute your request (including delays as detailed in these Terms) and the volatility of the currency underlying the Tokenized Asset.
- 5.4. We facilitate the cash-out service by using a Third Party. You understand and acknowledge that such Third Party may not accept your request or may holdback your request for further check-ups before it will be completed. In addition, your request may be held back or rejected by your bank. You specifically acknowledge that any delay, holdback, cancellation, rejection, confirmation or any other process or status related to your cash-out request, including the time frames taken to

complete said transactions, are in the responsibility and liability of such Third Party and/or your bank, depending on their policy and procedures, without any liability to eToro X. If your cash-out request was rejected for any reason, we will cancel your request and credit your Account balance with the Tokenized Asset after deducting the Third Party or any operational expenses to the extent applied.

- 5.5. eToro X may share and transfer (including cross border transfer) your Personal Data with such Third Party for the purpose of rendering its services, including information that identifies or may identify you, including the information submitted by you through the registration form when you subscribe to an Account such as your email address, password, country and city and/or any other identifying information provided by you while using the services. In addition, we may transfer any non-personal data provided by you to the Third Party in order to allow it to perform preliminary examinations for determining if you are qualified to use its services (including the history of your transactions which will be provided without any identifying information). You hereby acknowledge and agree that you are providing us and/or the Third Party with this data at your own free will, as a condition for the services provision, although you are not obligated by law to provide us with such data.
- 5.6. For the avoidance of doubt, we may reject and refuse your request to cash-out, even if you were eligible to it before and your status has not been changed, at any time at our sole discretion. Offering the cash-out service shall not be deemed as an obligation by eToro X to allow cash-out Tokenized Assets for any of its clients, nor will it entitle its clients to any contractual right to be repaid the purchase price of the Tokenized Asset.

6. EXCHANGE OF SUPPORTED DIGITAL ASSETS

- 6.1. Our Services allow you to place instructions to exchange a specified quantity of the Supported Digital Asset at a specified price (an **"Order"**). Not all Supported Digital Asset can be directly exchanged for one another.
- 6.2. You will be required to choose applicable limits including the maximum price for buy Orders and minimum price for sell Orders, and the type and quantity of the Supported Digital Asset you wish to exchange (**"Limit Order"**). A Limit Order will only ever fill at the specified price or a better price.
- 6.3. **"Maker Order"** means an order which was not immediately matched with another Order having a higher limit (for a buy orders) or lower limit (for a sell order) than the available market price. Maker Orders add volume to the applicable Order Book (as defined below) as they are posted on the applicable Order Book of the relevant pair of the Supported Digital Assets (**"Order Book"**). **"Taker Order"** means an order that immediately matches (or "takes") the Maker's Order, before being posted on the Order Book. Any portion of a Taker Order that was matched shall become a Maker Order.
- 6.4. Before an Order is placed, the Services will generate and display a confirmation dialogue box summarizing the details of the proposed transaction, including type and amount of Supported Digital Assets you are seeking to buy or sell, the Supported Digital Asset that you are willing to accept in exchange and the Limit Order, as applicable. Your Order will be placed upon confirmation of the Order summary via the Services. Notwithstanding the foregoing, you agree that the failure of the Services to provide such Order summary or confirmation shall not prejudice or invalidate any Order submitted by you or any trade completed based on such Order.
- 6.5. When you submit an Order, you are authorizing us to affect a transaction by matching your Order directly with the Orders of other eToro X users. Matching of Orders will occur without prior notice on a price-time priority basis, such that the Taker Order shall be matched with the earliest in time Maker Order at the best price then available on the Order Book, and will be considered to have taken place at the execution date and time. There is no guarantee that an Order will be filled at a specific price. An Order may be matched at a number of different prices, based on the quantity of the Order and the quantities of the Orders available on the Order Book until the Order is fully matched or cancelled.
- 6.6. You acknowledge and agree that before placing an Order, you are required to have sufficient Supported Digital Assets in your balance to fulfil such Order including any applicable fees. Upon placement of an Order the amount of Supported Digital Assets shall be removed from your balance and shall not be available for another Order.
- 6.7. The prices available on the Order Book are determined by actual Orders eToro X users have placed. eToro X does not control the quotation of such prices and we disclaim any liability with respect to discrepancies or liability for damages, loss of profit, loss of revenue, loss of business, loss of opportunity or any indirect or consequential losses arising from your decision to place an Order based on prices available on the Order Book.
- 6.8. You acknowledge that the information available on the Order Book does not constitute any commitment by eToro X to have your Order matched with any pending Order, even if your Order matches in terms of Limit Order.
- 6.9. You agree that as soon as any Order or a part thereof is matched, such Order/portion is irreversible and cannot be cancelled. Any remaining portion of a partially filled Order shall remain open until matched or cancelled by you or unless we, in our sole and absolute discretion, cancel the Order.

- 6.10. You acknowledge that it may not be possible to cancel or modify an Order after its submission. Any attempt to cancel or modify an Order is simply a request to us to do so. We are not liable to you if we are unable to cancel or modify an Order. You understand and agree that, if an Order cannot be cancelled or modified, you are bound by any matching of the original Order.
- 6.11. We have a right at any time to refuse to accept and/or cancel your Order or any part thereof according to our sole discretion, without any liability whatsoever to the fullest extent permitted by law, including but not limited to liability for damages, loss of profit, loss of revenue, loss of business, loss of opportunity, loss of data, indirect or consequential loss arising from our decision, without any further notice to you according to our sole discretion including (but not limited) in the following circumstances: (a) as required by any applicable law and regulations (including Anti Money Laundering (“**AML**”) or if your Order violates any applicable laws, regulations or rules, or is intended to defraud or manipulate the market); (b) in response to a subpoena, court order or other binding government order (c) if we or any third party acting on our behalf suspect that the Order is in violation of any of the terms herein including a suspected Prohibited Use; (d) if an Order or any part thereof has not been matched within a time to be set by us from time to time as of placing such Order; (e) due to Force Majeure Event; or (f) any other circumstances according to our sole discretion.
- 6.12. You recognize that an Order should only be submitted after careful consideration and once you understand and accept the consequences of its placement.
- 6.13. We shall be entitled to act upon any Order or instruction which we reasonably believe is given by you or on your behalf without further enquiry as to the genuineness, authority or the identity of any such person giving or purporting to give such order or instruction.
- 6.14. eToro X is not your broker, intermediary, agent, or advisor and has no fiduciary relationship or obligation to you in connection with any Orders, trades or other decisions or activities effected by you using the Services. No communication or information provided to you by us is intended as, or shall be considered or construed as, advice. Please refer to Section 24 for a summary of some of the risks you should consider when choosing whether to use our Services.

7. **TOKENIZED ASSETS**

- 7.1. Certain Tokenized Assets may not be registered on the blockchain and those unregistered Tokenized Assets may, therefore, not be withdrawn from the Account. Listing of a Tokenized Asset on our platform does not indicate approval or disapproval of the underlying technology regarding any Tokenized Asset and should not be used as a substitute for your own understanding of the risks specific to each Tokenized Asset. We give you no warranty as to the suitability of the Tokenized Asset traded under these terms and assume no fiduciary duty in our relations with you.
- 7.2. There is never a guarantee that there will be an active market for one to sell, buy, or trade Tokenized Asset within the eToro X platform or in alternative platforms. eToro X makes no representations or warranties about whether a Tokenized Asset traded on our platform may be traded outside of it. Any Tokenized Asset is subject to delisting without notice or consent. eToro X and/or any of its affiliates and/or anyone on its behalf make no representation to buy or sell any Tokenized Asset which was available as part of the Services.
- 7.3. It is hereby clarified that other than the entitlement to purchase, hold and transfer (subject to any limitations as described in these Terms) the Tokenized Asset, the Tokenized Assets will not grant you or any other person any other entitlement, in particular they will not:
- 7.3.1. entitle you to a share in the Tokenized Asset’s issuer’s profits (such as, but not limited to, payment of dividends), or to exercise voting rights in relation to the issuer;
 - 7.3.2. entitle you to vote on the day-to-day business or strategic operations of the Issuer of the Tokenized Asset;
 - 7.3.3. entitle you to any kind of return (whether income or profit);
 - 7.3.4. entitle you to any contractual right to be repaid the purchase price of the Tokenized Asset;
 - 7.3.5. entitle you to the fiat currency and/or commodity and/or the other financial instrument to which the value of the Tokenized Asset is connected, or grant you a right of any kind in relation to such fiat currency and/or commodity and/or the other financial instrument;
 - 7.3.6. represent any other type of claim on the issuer of the Tokenized Asset or any other person for return of any monetary value;
 - 7.3.7. oblige any person to make a payment or entitle any person to a receive a payment.
- 7.4. Supported Tokenized Assets may not be withdrawable as shall be indicated on eToro X’s platform, thus if you close your Account you are advised to first use the Services to place an Order for the exchange of any non-withdrawable Supported

Digital Asset into withdrawable Supported Digital Asset in order to have such assets withdrawn before closure of the Account. eToro X assumes no responsibility or liability in connection with any loss due to your closure of your Account.

8. **TRANSACTIONS LIMITS**

- 8.1. The use of the Services may be subject to certain limits such as sizes (which might be stated in fiat currency or in Digital Asset). Accordingly, you may deposit, transact or withdraw in a given period or any other limit as shall be determined at eToro X's sole discretion ("**Transaction Limits**").
- 8.2. Your limits, if applicable, may be posted in your Account or our website, from time to time. Your Transaction Limits may vary depending on your payment method, verification steps you have completed, and other factors. eToro X reserves the right to change applicable limits as we deem necessary in our sole discretion. If you wish to raise your limits beyond the posted amounts, you may submit a request to our customer support. We may require you to submit additional information about yourself or your business, provide records, and arrange for meetings with eToro X staff (such process, "**Enhanced Due Diligence**"). eToro X reserves the right to charge you with costs and fees associated with Enhanced Due Diligence, provided that we notify you in advance of any such charges. At our sole discretion, we may refuse to raise your limits or we may lower your limits at a subsequent time even if you have completed Enhanced Due Diligence.

9. **TRANSMISSION DELAYS**

- 9.1. Security-Related Delays. eToro X Services involves several security measures and layers to increase the security of your Digital Asset storage at eToro X. For this reason, transaction(s) to a Digital Asset address, may take longer than a standard transaction(s). You acknowledge and agree that a transaction(s) may be delayed.
- 9.2. Information-Retrieval-Related Delays. eToro X securely stores Account access information under our control. As a result, it may be necessary for eToro X to retrieve certain information in order to facilitate a Digital Asset Transaction in accordance with your instructions, which may delay the initiation or crediting of such Digital Asset Transaction by 48 hours or more.
- 9.3. Verification-Related and Discretionary Delays. You acknowledge and agree that a deposit, withdrawal and/or Order may be delayed for an indefinite period or cancelled by us for any additional reason such as check-ups made under any applicable AML regulation and any other reason within eToro X's sole discretion.
- 9.4. No Liability for Delays. You acknowledge and agree that eToro X will not have any liability for any delays due to the foregoing or to network congestion or any other reason outside of eToro X's control.

10. **OMNIBUS ACCOUNT**

- 10.1. You acknowledge and agree that eToro X shall hold all of the Supported Digital Assets it receives from you and other users in a segregated omnibus account owned by eToro X as further detailed under Sections 10 and 11. We shall in our sole and absolute discretion determine how, where and the manner in which the Supported Digital Assets deposited by you are maintained.
- 10.2. All Supported Digital Assets deposited to your Account will be held by eToro X for you in eToro X's wallet (which may be provided to eToro X by a third-party wallet services provider) and/or in any other manner as may be possible from time to time and will therefore be pooled with Supported Digital Assets of other users. All Supported Digital Assets held by eToro X for a user will be segregated from eToro X's assets and held in segregated wallet accounts which may hold your Supported Digital Assets with the Supported Digital Assets of other users in the same wallet account (an "**Omnibus Account**").
- 10.3. Omnibus Account Risk: There is a risk of loss emanating from the use of Omnibus Accounts in third parties. The above risk may hold other types of risks including legal, liquidation risk, haircut risk, third party risk etc.
- 10.4. In the event of the insolvency or any other analogous proceedings in relation to that third party, eToro may only have an unsecured claim against the third party on behalf of the client, and the client will be exposed to the risk that the Supported Digital Assets received by eToro X from the third party are insufficient to satisfy the claims of the client in respect of the relevant account and/or wallet. eToro X does not accept any liability or responsibility for any resulting losses.

11. **CUSTODY**

- 11.1. eToro X does not obtain any ownership in your Digital Asset that you store in your Account, except for such rights as described in section 26 below.
- 11.2. We act as custodian and will hold Supported Digital Assets on your behalf in accordance with any regulations to the extent applicable. You instruct us to hold any Supported Digital Assets on your behalf until we receive further instruction from you to withdraw any withdrawable balance.
- 11.3. We may appoint any other person as a sub-custodian or otherwise to hold Supported Digital Assets, including affiliated

companies of eToro X which may be unregulated. We will exercise reasonable skill and care in the selection, appointment and periodic review of sub-custodians but we are not liable for their acts, omissions, insolvency or dissolution. Any discrepancy in terms of client assets and any resulting shortfall will be dealt with in accordance with any applicable regulations.

- 11.4. Since your Supported Digital Assets will be pooled with Supported Digital Assets belonging to other clients, you will not have a legal claim against a specific sum of money or a specific sum of Supported Digital Assets. Instead, any claim will be against the pool in general. If we or our third-party nominee were to become insolvent there may be delays in identifying individual assets, and possibly an increased risk of loss if there should be a shortfall because additional time will be needed to identify the assets held for specific clients. In addition, in the event of an unreconciled shortfall caused by the default of a custodian and/or sub-custodian, you may not receive your full entitlement to Supported Digital Assets. If so, you will share proportionately in that shortfall.
- 11.5. eToro will maintain true, complete and accurate records relating to Supported Digital Assets held by it for each client. Such records will show that your Supported Digital Assets are held on your behalf, for your benefit and do not belong to us or any sub-custodian.
- 11.6. You remain the beneficial owner of the Supported Digital Assets that we hold on your behalf and agree that you will not try to sell, mortgage or otherwise deal in or part with beneficial ownership of the Supported Digital Assets and/or money held on your account with us.
- 11.7. You will not be entitled to any interest or any other financial benefit in respect of the Supported Digital Asset held by us as custodian and any interest will be retained by us.

The final network fee shall be charged at the time of the Order and will be published in your Account following the execution of such withdrawal and/or deposit.
- 13.5. **Inactive Account.** If your Account is defined as an Inactive Account (defined below), an Inactivity Fee may be payable by you. Once an Account is deemed Inactive, we may deduct an Inactivity Fee in the amount set out on our Fees Page, out of you available Supported Digital Assets available in your Account. Such monthly fees shall be deducted until the value of the Supported Cryptocurrencies in the Account has reached zero and dormant Account with a balance of zero Supported Cryptocurrencies may be closed by us. You can avoid the deduction of the Inactivity Fee if you log into your Account and eToro X will cease to deduct the Inactivity Fee unless your Account shall become Inactive again, but we shall not refund any Inactivity Fees already deducted from the Account prior to such log in. For the purpose of these Terms, the term “**Inactive**

Account” shall mean: (a) if you have not deposited Supported Digital Assets into your Account and have not logged into your Account for a period of at least 120 days; and (b) if you have deposited Supported Digital Assets into your Account and have not logged into your Account for a period of at least 12 months.

You are responsible for paying all Taxes associated with your Account hereunder, including all applicable country, federal, state and local taxes if applicable. If we have the legal obligation to pay or collect Taxes for which you are responsible, we will invoice you and you will pay that amount unless you provide us with a valid tax exemption certificate authorized by the appropriate taxing authority. You also agree that we may set-off such amounts in accordance with terms 26.2.

15. DIGITAL ASSET PROTOCOLS

15.1. No Ownership. eToro X does not own or control the underlying software protocols which govern the operation of Digital Assets supported by us. Digital Assets protocols are open source and anyone can use, copy, modify, and distribute them.

15.2. Adjustments. According to our sole discretion we may decide (but for avoidance of any doubt we are not obligated to do so) to adjust your Account in respect of a Fork (as defined below) depending on the circumstances of each event attributable to any specific Digital Asset held by you. Such adjustment shall be calculated by us, net of any taxes, which may apply with respect thereto. In doing so we will make efforts to effect such adjustment on the basis of good faith and fairness and, where appropriate, by taking such action as is consistent with market practice or taking into account the treatment we may receive from our counterparties or any relevant third party. **You acknowledge and agree that eToro X assumes absolutely no responsibility whatsoever in respect of an unsupported branch of a Forked protocol.**
